v.

CR# 03-10362 PBS

SEAN D. STARK

**DEFENDANT'S MOTION TO JOIN CHRISTOPHER
SUGAR'S MOTION TO CONTINUE SUPPRESSION HEARING**

Now comes the defendant, Sean D. Stark, and joins in co-defendant Christopher Sugar's Motion to Continue Suppression Hearing, submitted by his attorney Mark Shea. As reason therefore, the defendant states the information sought by Mr. Sugar for his suppression hearing, the discovery relating to the drug dog, is equally relevant to Mr. Stark's Motion to Suppress. Furthermore, the issues of both Motions to Suppress are identical, and therefore the Suppression Motions should be heard together.

By his attorney,
